Dear Ms. Donigan:

The Fresno-Madera-Tulare-Kings counties, Central Labor Council is aware that Rite Aid is proposing to eliminate benefits for retired and part-time workers in Northern California.

Let this letter serve as a notice that, should a labor dispute occur, we will use all of our resources to make sure that the 53 labor unions and 50,000 members they represent will honoring the picket line and boycotting all Rite Aid stores. Additionally, we will ask our members to permanently move their prescriptions to another Union pharmacy.

Our Labor Council is also prepared to join the picket lines in our jurisdiction as well as contact the media and the general public about your negotiation practices.

Rite Aid's proposals in bargaining will have far-reaching consequences. We urge you to bargain in good faith with Rite Aid employees and their Union.

Sincerely,
