

**Rite Aid is trying to stick it to its employees.  
Don't let them stick you too.**

**Get your flu shot somewhere else,  
like another nearby Union store.**

Rite Aid is trying to stick it to their employees:

- Refusing to fund healthcare benefits for their employees and retirees.
- Cut their healthcare plan benefits.
- Underfund employee retirement benefits.

**Don't let Rite Aid stick it to the employees.  
Get your flu shot elsewhere.**

*There is labor dispute between the above employer and United Food and Commercial Workers*
